

Annual Harvest Meeting

Porcupine Caribou Harvest Report: 2015-2016

Vuntut Gwichin First Nation

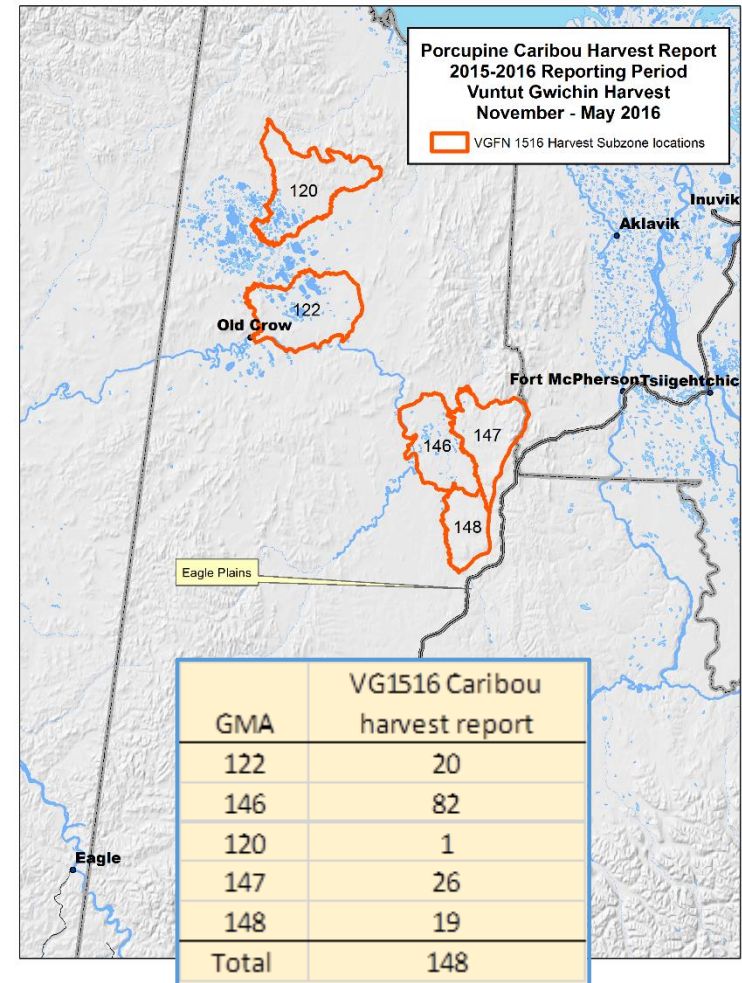

William Josie

Director, Natural Resources

Harvest number and distribution

- Information gathered through game guardian interviews
- Working with the harvest database
- Most harvest in this period from the Old Crow flats and the Little Bell River areas
- No information gathered from hunters outside of Old Crow

- New Game Guardian in January
- Limited data gathering during the summer months in 15/16
- More consistent data gathering and recording in 16/17
